**NOTICE: Vaccine Requirements for ALL Rising 7th Graders**

Dear Parent/Guardian:

Please read for vaccine information affecting 7th grade students. The following requirement pertains to all students entering 7th grade on or after the 2015-2016 school year.

**The requirement is for one dose of Tdap (tetanus, diphtheria, pertussis) and one dose of meningococcal conjugate vaccine.**

Please contact your local health department or physician's office to talk about which vaccines your child may need. You may need to schedule an appointment to receive the required vaccines. More information regarding immunizations can be found on the NC Department of Health and Human Services website at [www.ncdhhs.gov](http://www.ncdhhs.gov).

**Remember to ask your healthcare provider for a copy of your child's immunization (shot) record. You are required to submit a copy of your child's immunization record prior to the first day of school.**

If you are medically or religiously exempt from immunizations, please make sure we have signed form on file for your child. All medical forms can be found [here](#), or on our website under the Parents tab.

Do not delay! Make sure your child is up-to-date on his/her immunizations prior to the start of the 7th grade school year!

Questions? Email [info@corvian.org](mailto:info@corvian.org).

*"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." – Margaret Mead*
