Dear Parent/Guardian:

The following requirements pertain to all students entering Kindergarten in North Carolina.

<b>Vaccine</b>	<b>Number Doses Required Before School Entry</b>
<u>Diphtheria, tetanus and pertussis</u>	5 doses
<u>Polio</u>	4 doses
<u>Measles</u>	2 doses

<u>Rubella</u>	1 dose
<u>Haemophilus Influenzae type B (Hib)</u>	4 doses
<u>Hepatitis B (Hep B)</u>	3 doses

Please contact your local health department or physician's office to talk about which vaccines your child needs. You may need to schedule an appointment to receive the required vaccines. More information regarding immunizations can be found on the NC Department of Health and Human Services website at [www.ncdhhs.gov](http://www.ncdhhs.gov).

Remember to ask your healthcare provider for a copy of your child's immunization (shot) record. You are required to submit a copy of your child's immunization record prior to the first day of school.

If you are medically or religiously exempt from immunizations, please make sure we have signed form on file for your child.

Do not delay! Make sure your child is up to date on his/her immunizations prior to the start of Kindergarten!
