

Corvian Community School

Volunteer Training

Lots of Options

You can volunteer in many ways:

1. Helping in classrooms-work with small groups of students, one-on-one tutoring, getting students prepped for class performances.
2. Sharing your talents through lecture or demonstration
3. Chaperoning field trips

You are a Role Model!

Volunteers at Corvian can help students by:

- Learning their names.
- Always being sincere and honest.
- Listening carefully to what they tell you.
- Showing genuine interest.
- Accepting students as individuals.
- Being respectful of confidential information.
- Focusing on what you are tasked to do.

Responsibilities as a Volunteer

- Be punctual.
- Notify the teacher if you will be late or absent.
- Set a good example for students.
- Keep all matters confidential.

Thank you!

Corvian Community School
values the partnership we have
with parents, and we love our
volunteers!
