# EMPOWERMENT

Strangers/Tricks | 911 | Good/Bad Touch | Bully Defense | Home Safety  
Outside Safety | Fire Safety | School Safety | Vehicle Safety | More

radKIDS puts the safety of kids in their own hands by **SHOWING** them how to be safe, not just by **TELLING** them what to do. Other safety programs give children general guidance rules, show videos, or simply "talk" to the children. radKIDS Lake Norman is dedicated to providing our children with a hands-on, activity-based, physical skill development program. It empowers children with skills they need to recognize, avoid, and if necessary, respond immediately and instinctively to potential danger. When empowered, a radKID's mindset turns from "HELP ME, HELP ME!" to "HOW DARE YOU HURT ME!"

## After School Enrichment

Thursdays | April 4 - May 16 | 3:10pm - 4:30pm

Cost \$125 | Register at [radkidslakenorman.com](http://radkidslakenorman.com)
